Dear Carol and Steve,

On 14<sup>th</sup> February we held our Silver Wedding Celebration at the Helsby Arms and we want to thank you both so much for making it a perfect party for us.

Right from the beginning when we first discussed our plans with you you were positive and helpful. Nothing was too much trouble for you and we felt confident to leave the practical arrangements and final choice of food to you. We were extremely glad that we had done this because on the actual night everything went so smoothly that we didn't have to worry about a thing.

The room looked lovely, the food was delicious, the service and attention were first class.

Our guests (and, as you know only too well, there were over 100 of them)

have just been full of praise and appreciation for the job you did and for the great time they had.

It was a very special occasion for us and you helped us to make it absolutely unforgettable.

Thank you both. We give you and the Helsby Arms our five stars.

Good luck to you both. You deserve to succeed.

Yours sincerely

Kath and John Kerry.
