

Dear Steve & Corle

Norman & I can't thank you
enough for the beautiful wedding
reception you gave us.

All our guests kept on coming to us
to say how lovely the place looked
& how tasty & fresh the food
you & your team had prepared.
Your attention to the "extra

Something" made our day very
special. You have created
an exceptionally nice atmosphere
we had a lovely wedding day.

Please thank your team who
worked hard to ensure our
every need was catered for in
a truly impressive way.

Every good wish to you both we
feel very lucky that we will
be able to sample your hospitality
frequently.

Once again thank you for making
our day so memorable

Love
Norman & Beryl
